Rick's Write

Dear Church Family,

I am so pleased with the response I have had to our recent emphasis, "Better Together." Your time and attention to the lessons in this series has been a blessing to me. I am also pleased that so many of you have asked, in one way or another, "Now what?"

Several messages in May, and a couple more in June, have been, and will be, devoted to answering this question. So, far: *Together We Work, Together We Invest, Together We Go*. Still to come: *Together We Care, Together We Step Up, and Together We Give*.

At the conclusion of these messages I will be drafting a concise (2 or 3 page) essay concerning how I see these "Together We..." statements playing out in the life of the church. I will be using this document to outline and focus my attention with committees and other groups as we go forward. The goal is to have as many individuals actively involved in the life of this church — serving God's Kingdom — as possible. All this helps us toward fulfilling our vision slogan: "Digging Deep **to Know HIM** and Reaching Out **to Make HIM Known**."

All of this also impacts the work of our Nominating Committee. There are a number of you who have recently become aware, or have been reminded, that God has gifted you and created you in a unique way to serve him. As the Nominating Committee seeks to place the right person with the right position, please be in prayer for how you might "try out" your new awareness of how God has equipped you for service. Scripture mandates that I, as your pastor, be concerned with helping equip you for acts of service (Ephesians 4: 11-13), so, talk to me about it!

See the announcement elsewhere in this newsletter about a special fellowship planned by the Nominating Committee on June 12th. We are **Better Together; Together we are Better!**"

Love,

Bragging Rights

As I'm sure many of you have found out by this point, I am a very proud individual. I am proud of the accomplishments I have achieved, proud of the family that God has given me, proud of the job that I have, I'm even proud of the car that I drive (the first car that I purchased with my own hard-earned money). Now there's nothing wrong with taking a little pride in what you have or what you do, right? It's true that it is ok to be proud, but it is when we veer off into "haughty", "pompous", and even "conceited" territory that we run into trouble.

It is in this kind of trouble that I often find myself; I so desperately *want* to be humble. I especially desire to give God the credit for blessings in my life; however, every so often, my self-centered nature steps in and demands to be recognized for some accomplishment. I all too often seek to make it about me, when in reality it is all about the Astonishing Love and Amazing Grace of a savior I don't deserve.

I am challenged by the words of the Apostle Paul, as he writes to the Galatian churches, "May I never boast, except in the cross of our Lord, Jesus Christ, through which the world has been crucified to me and I to the world." (Galatians 6:14) No matter how talented or successful I may be, I realize that none of that matters in light of the Cross; for without Jesus' sacrifice, none of would mean a thing. Now my focus is to live in such a way that the world praises God for the blessings in my life. For He is greater than I.

God Bless!
David

Cleaning Ministry

Check the sign-up sheets in the vestibule hallway and sign up to be part of the ministry of cleaning our church facility. There are always empty spaces on the sign-up sheet. It's always a blessing and it helps us be good stewards of God's property!
