## Upcoming Events and Opportunities

- **Love Where You Live** – Save the date October 22 to make sure you can be a part of this mission blitz on our community. If you know of any projects in the community, let Josh Queen know. More details will follow at a later date.
- **Fossils, Flood, Noah's Ark, and Dinosaurs** – Wednesday, October 12 at 6 pm – Special presentation and meal – Rev. Steve Levinson will be our guest speaker for the evening. His presentation answers many questions people have entertained for years concerning creation/evolution. Rev. Levinson will also have a huge fossil collection on display.
- **Children's Outing to Henry River Farm** – October 15 – We will leave at 9:30 and return around 2:00 pm. Bring a bag lunch, drink, and \$5 for your ticket. If you are interested in buying a pumpkin or riding a horse, you will need to bring some money.
- **Fall Festival** – October 29 from 2 – 4 pm – Mark your calendars for a fun-filled afternoon! We need donations of candy as well as cakes, cupcakes, and cookies for a cake walk.

Operation Christmas Child September Donation – Photos, letters, donations
